**FOTOHITS MAGAZINE IS
MEMBER OF:**

FOTOHITS MAGAZINE

FOTOHITS Magazine ranks among the leading periodicals on the semipro and professional german photo market. For this reason, **FOTOHITS'** focal points are premium products and challenging but practical photographic topics for better imaging results.

FOTOHITS offers the entire bandwidth of modern media solutions. The ePaper version is available not only for Apple's iPad, but also for Android tablets, PCs and smartphones.

Thanks to its responsive design, the high traffic website fotohits.de offers an optimized access from mobile devices. Furthermore, **FOTOHITS** stands for a close integration of print and online activities with social media like Facebook.

As a member of the Technical Image Press Association (TIPA), **FOTOHITS** is part of the jury that elects annually the world's best photo and imaging products and awards them with the prestigious TIPA Awards.

FOTOHITS is Germany's special interest magazine for ambitious photographers.

PROFESSIONAL TESTING

FOTOHITS operates its own fully equipped camera test lab. Professional conducted tests examine and measure the important characteristics of cameras and lenses regarding performance, features and handling. Furthermore, our testers also frequently examine interesting photo equipment like tripods, flash units, monitors and more.

WWW.FOTOHITS.DE

The print magazine's powerful online companion

Modern – responsive – up-to-date: If you are heading for photo enthusiasts, semi pros and professional photographers with a high purchasing power on the internet, you are perfectly right on fotohits.de.

Classic banners, native advertising, advertising in our newsletter or cross-media interactive formats: We at **FOTOHITS** share our offices with BetterNet's internet experts and programmers who are in care of many very big photo websites. This is why we are able to implement cutting edge online advertising ideas for you which makes us different from any other photo magazine.

If you don't have online advertising material, please don't hesitate to ask us. We will develop it for you: fast, reliable and at a fair price.

FOTOHITS.DE is a highly efficient platform for your online advertising campaigns – with 275.000 page impressions and 57.000 unique visitors per month at the maximum. Delivery to desktop devices: 55%, mobile devices: 45%

All statistical data refers to the period from 1.11.2022 to 31.10.2023

The screenshot displays the FOTOHITS ONLINE website interface. At the top, the 'FOTOHITS' logo is prominent, with navigation links for MAGAZIN, NEWS, THEMEN, MITMACHEN, TESTS+TECHNIK, SOFTWARE, ABO, SHOP, and ANMELDEN. Below the navigation bar, the main content area features the 'FOTOHITS AUSGABE 1/2024' cover, which highlights a 'Reise- und Landschaftsfotografie' theme and a 'Neue Beleuchtung mit KI' feature. A large red circular badge on the cover advertises a '60% RABATT 19,99 €' on the 'Fotonauslöser von Rollei'. To the right of the cover, there are images of various photo equipment, including a camera and a lens. Below the magazine cover, there is a large advertisement for the 'SAMSUNG Portable SSD T9', showing a hand holding the SSD next to a laptop. The ad text includes 'High Performance für Profi-Anwender' and a 'Mehr erfahren' button. At the bottom of the page, there are two smaller sections: one for 'Kategorie: Statist' showing the magazine cover and a 'FOTOHITS AUSGABE 1/2024' badge, and another for 'Technik' showing a camera lens. The website also includes social media icons for Facebook, Twitter, and Instagram in the top right corner.

FOTOHITS NEWSLETTER

QUOTA WINNER: THE FOTOHITS-NEWSLETTER

The **FOTOHITS** newsletter system gives the recipients the choice between daily, weekly or monthly delivery. Since the recipients are signing for it voluntarily, our subscribers are a highly interested and attentive audience.

You can use our newsletter for your promotions: with image-ads, text-ads or advertorials, which we will happily create for you. **But we can also dedicate a special FOTOHITS newsletter exclusively to your message. This extra edition of our newsletter will be sent separately from the usual delivery. This way, your message will get maximum attention – an opening rate of 34% reinforces this.**
